Aptos ONE POS

Deliver evolving retail experiences with the leader in Unified Commerce

Constant change requires modern, flexible architecture.

Introducing Aptos ONE POS. We distill more than 40 years of deep retail experience — encompassing decades as the market leader in retail Point of Sale, rich industry know-how and an empathetic understanding of the store — into a mobile-first, microservices-based and offline-resilient POS solution. Aptos layers key POS capabilities with complete configurability for easy adaptation and differentiation.

All delivered on the Cloud and integrated into your entire enterprise. So you can deliver seamless and consistent sales experiences to every shopper. Now and in the future.
